DETAILED ACTION

Claim Rejections - 35 USC § 112

1. Claims 20-28 and 48-58 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claims 28 and 48, It is not clear how identifying information of a multimedia program can be used for playing the multimedia program since only identifying information of the prerecorded programs area displayed.

2. Claims 59-110 are withdrawn from further reconsideration due to restriction requirement in the previous office action . It is noted that the amended claims 59-110 still different from the claims 20- 28 and 48-58 since claims 59-110 do not require identifying information that is used for playing the pre-recorded programs and the program whose storage being in progressed, and a playback module for allowing a playback rate and direction as required by claims 20-28 and 28-58 .

Allowable Subject Matter

3. Claim 20-28 and 48-58 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
